Help us build community!

## New Landscaping in 5-1

Plans are getting underway to redo the landscaping by the newly stucco-ed buildings in 5-1. The heavy rains have postponed TRM removing the junipers and other plants to make way for the new. It will be done soon. If anyone would like to be involved with the landscape design, Peggy DuBray would welcome your help. You can contact her any time after 6 PM Mon-Fri at 801-599-2490 or visit her at her home. We are excited about the plans for new shrubs for a new look!

Summer is here and residents and their children want to use common areas safely. **Dog owners:** Please be responsible and pick up after your dogs, otherwise there's a \$25-\$100 fine!!
