

WHAT TO DO????

What should you do if you want to get a new front door, new windows or update the landscaping in front of your home???

Please contact Welch –Randall with a request in writing about the changes you would like to make. This letter will be forwarded to the Architectural Committee to review and determine if the change you have requested can be made.

Per the Meadows CC&Rs you cannot make any changes to the exterior of your home without approval from the Architectural Committee.

What if you need to have the latch on your gate repaired or one of the lights has burned out on an exterior lamp post???

Please contact Welch Randall and they will create a work order to have the repairs done and forward to the appropriate contractor for the work to be completed.

WINTER PARKING ORDINANCE

South Ogden City's winter parking ordinance is now in effect, running each year between November 1 and April 1. During these months, vehicles may not be parked on City streets between the hours of 1:00 am and 7:00 am, or during a snowstorm. Please be mindful and observant of this ordinance.

TREE RECYCLING

South Ogden Public Works Department will recycle your discarded Christmas tree. Please bring your tree to Meadows Park, approx. 5725 South 2000 East at the end of the cul-de-sac in front of the park between December 26, 2016 and January 20, 2017.

Please remember to pull your garbage and recycling containers as during the winter months as this causes issues with snow removal. Please do not park your vehicles over the sidewalks as this makes it hard to remove snow from the sidewalks.

February HOA Meeting will be held: January 19 at 1886 E 5625 S at 6:30 pm
We encourage all owners to attend and learn more about the community you live in.

New fees for PRUDs: \$220.00/month.

New fees for Condos: \$200.00/month
