

Animal Licensing

All dogs that are living in South Ogden City need to be licensed. It is a yearly license. Licenses are purchased from the South Ogden Police Department located at 3950 S Adams Ave before March 1st to avoid a late fee.

When you come in to purchase a South Ogden Dog License, please bring the current rabies vaccination certificate and proof of sterilization (spay or neuter certificate) to the South Ogden Police Department. Those animals that have been sterilized receive a discount on their licenses. We also offer a senior discount. Without your current rabies vaccination proof your dog will not and cannot be licensed.

South Ogden City Ordinance for PETS

They only allow for 2 cats and 2 dogs per home, all dogs are required to be licensed with South Ogden City on a yearly/lifetime basis.

The Pool will be closed on September 5, 2017.

The board would like to thank Jessica & Brody Ellanson for taking care of the pool for us this year, we hope everyone enjoyed using the pool this summer.

REMINDER:

If you are planning on making any changes to the exterior of your home/condo you **MUST** request approval from the Architectural Committee. We have had issues where people make changes and do not request approval prior to making changes. Contact Welch Randall for request forms.
